SYSTEMOne

"Lifetime" Parts Warranty

Defects & Performance

SystemOne Series 500 Parts Washers ("Equipment") are Warranted by SystemOne Technologies Inc., ("Manufacturer"), to be free of defects in materials and workmanship and to perform in accordance with the Manufacturer's specifications and operating manual ("Warranty") for the life of the Equipment up to ninety (90) months commencing on the date of delivery to the original customer ("Warranty Period"). During the Warranty Period, the Manufacturer will supply all required parts and components directly to the customer, including detailed installation instructions and direct telephonic assistance from the Manufacturer's Technical Support Center, free of charge, for on-site installation by the customer. Wearable items such as brushes and spouts are excluded.

Environmental Assurance

The Manufacturer warrants, under current interpretation of existing Federal and state regulations, that the Equipment does not generate hazardous waste provided (i) no hazardous materials or chemicals are added to or used within the Equipment and (ii) the Equipment is operated in accordance with the Manufacturer's operating manual.
